### **Glorietta Bay Inn Mansion Room Renovations Stay True to Historic Charm**

Coronado, California, June 5, 2015 – The Glorietta Bay Inn has completed renovations on eight of the eleven historic mansion guest rooms. Each guest room features a warm, inviting, relaxed atmosphere and include elegant new furnishings that pay tribute to the hotel’s early beginnings.

The guest rooms all received new carpeting, drapery, contemporary furnishings including desks, new lighting, Coronado artwork, and brand new bedding. Each room still comes equipped with a 42” flat-screen high definition television, iPod docking stations, small refrigerators, Wi-Fi, and deluxe plush terry robes.

“The new rooms give our guests a chance to enjoy the opulence and craftsmanship of the Mansion’s architecture in a completely upgraded and fresh design,” said Claudia Ludlow, General Manager. “By completing this renovation we are just adding to our unique and memorable ‘home away from home’ experience”.

Along with your stay in the Mansion, the rooms feature continental breakfast served in bed, nightly turndown service, and warm milk and cookies at bedtime.
